

**Minutes of ASHA meeting**

**Date: August 11, 2002**

*Venue: Starbucks, Bellevue*

Attendees: Sathya, Shyam, Chidu, Santosh, Priyanka, Ritchie

- 1) The statutes of ASHA Zurich were once again ratified and finalized to be submitted to The Post for a bank account. Sathya has already submitted them to the post office and hopefully our long wait for an account would end.
- 2) The Jherli project proposal and application form of UBS Optimus, for funding of this project, was reviewed and certain points were discussed including contribution of the local community to the project, measure of success of this project, necessary contribution from ASHA Zurich for this project etc
- 3) Chidu informed the members that ASHA Zurich doesn't require a tax free status unless we deal with finance of more than a certain limit. Below this limit we enjoy a tax free status. However we shall apply for this certificate as it would help adding to the credibility to the organization.
- 4) Finally, long contemplated plan of selling T-shirts for ASHA Zurich was given shape. Richie has taken the responsibility of designing the T-shirts. Sathya and Arvind would take care as to how these could be printed with good quality and at the cheapest rates. We hope we all will be wearing one by the end of this year. We wish that the T-shirt not only propagates a positive and encouraging message for ASHA Zurich but also gives value for money to the buyers.

Priyanka Belawat  
General Secretary  
ASHA Zurich
