

Asha Monthly meeting
Date: November 7th 2007
Venue: ETH Zentrum

Attendees: Vishwa, Shyam. Mahua, Anurag, Srinjoy, Parthanil, Priyanka.

Presidents post: Vishwa wants to resign from the president's post due to commitments in the new job he has taken up in Basel. He might be back working actively for Asha in few months time. Nitesh's name was proposed and he will let us know his decision soon.

Disco dates: Due to ASVZ rules we couldn't book the disco venue this year and the plan is to do it by beginning of next semester. Vishwa wanted to book the venue as soon as possible. Shyam said it's better to delay it till January 2008 as by then we will know more about dates of other big parties happening around that time.

It was decided to club next monthly meeting with Mr. Chattopadhaya's visit from Geneva. Any date between 3rd to 12th December will be finalised soon.

Zuriodhay and Christmas card should be sent before Christmas without waiting for the tax letters next year. Shyam will ask Greg to make a Christmas card that we can print. It was discussed whether it is worth getting them printed from India as Anurag suggested. Mahua pointed out it's often much cheaper even to post them from India. But for the volume we have, maybe it is not worth the trouble. Anurag will let us know soon if he can manage to print on of Andre's photographs from India that can be used in the card.

We are all very grateful to Mrs. Aruna Kapoor for the donations made by her well wishers. As Baiju suggested before, it was decided that a group of 3/4 people will visit her with some Asha documents (Zuriodhay etc) and a card. As Kirti knows her personally we can wait for her to be back. We should make the visit by before Christmas.
