

Asha Zurich monthly meeting
Date: April 2nd 2008
Venue: ETH Zentrum

Attended by: Priyanka chahar, Ishan, Srinjoy, Deepa, Baiju, Vishwa, Shyam.

Budget for Dhule project was sent in email by Ashwini. In the meeting we weren't sure how it to compare it with last year's approved budget. Ashwini, please do the same with two distinct columns for each and send it to us. Particularly, we couldn't recall if item 2,3 and 4 were there in the approved budget. As the project looks to be in good shape, we can approve the new budget even with a small e-mail discussion soon after we get answer from Ashwini.

Regarding Mukti site visit: Anyone can do the site visit, as long as he is not directly to the project. Mahua, we do not need Asha volunteers for the site visit.

Akshwardeep: Baiju will bring upcoming budget in the next meeting.

It is not certain if Ma/Janani project received the money sent. Shyam will ask for the phone number of the concerned bank official and Shyam/Agomoni will talk to him.

Bollywood Party:

There are some concerns about the IAZ 'Vaishakhi' event on the same day. It was decided to hold a joint DJ party with them. However, IAZ hasn't yet found a place for their proposed diner before Vashakhi. It is possible that they take the hall for Bollywood party before we start our event.

Baiju will contact Mrs. Aruna Kapoor regarding advertisement of the event in Baden. He will also contact the big Indian crowd in Alstom.

We have to start distributing the flyers as soon as possible. Any one interested in distributing them can get them from Shyam on Monday (7th April) evening or later.

Deepa and Shyam will distribute them at ETH on 23rd and ?
Deepa, Srinjoy will distribute them at Irchel campus on 16th and 22nd .
