

Dear Asha-ites/Friends/Comrades,

Lets start a fresh New year of 2009 for the Zurich chapter with the lovely spring and sunshine which has been blessed upon Zurich.
I take pleasure in sharing the minutes of the GBM held at Tezet Oerlikon on the 25th of April 2009 and the completion of yet another successful year for the chapter. Attached is an excel file with the minutes of the meeting held and the introduction of the new panel.

However incase anyone missed out on the new panel members, here are the names again:

PRESIDENT: Baiju John
TREASURER: Kirtimalini Gadre
GENERAL SECRETARY: Akshata Kumta
PROJECT COORDS:
AKSHARDEEP Deepa Gokarn
DHULE Vishakha Rajput

As part of the new role, I would like to welcome some of our new volunteers to the family. We are really happy to see their enthusiasm and receive their support and efforts to make the chapter stronger and active.
Some people may receive this email more than once, so would like to apologise for the duplication.
I have mailed everyone here (including attendees of the GBM) so that nobody gets left out.

Dear Deepa, would request you to please forward this to the new volunteers list too, since we would like to welcome them to Asha as well.

Incasing New members are still not been registered into the ASHA Commies groups, would request them to send their email requests to me for the same.

Best wishes for a happening and eventful 2009,
Akshata Kumta Buch
