Credit Suisse party: We received a donation of 650 CHF from the Indian diwali event (Kurry Klub) organised for the Credit Suisse members. Kirti attended the event on behalf of Asha for Education.

Sakshar project: Tullika introduced a new project called Sakshar. It works in Delhi with slum kids. She is familiar with the project as she worked with it as part of Asha Seattle. The project had a specific donor in Seattle who was donating to this project via Asha Seattle. S/he has stopped the donation and Tullika wanted to propose the project to Asha Zürich. She will be giving a presentation about the project at the next meeting.
