

Date : 3rd February 2012

Attendees : Kamlesh uncle, Shyam, Shalmali, Doris, Nandan, Sujit, Shreya, Rahul, Varsha and Divya.

SACSAS: Sujit clarified all the doubts we had about the project. It was decided that the funds for 2011 would be disbursed now. The funds for 2012 will be sent only after a site visit is conducted. We had a volunteer traveling to India and willing to do the site visit, but when she went there, it was vacation time for the kids, so the site visit was cancelled. The site visit is still pending. If anyone knows people who are willing to do this, please get them in touch with Sujit.

Akshardeep: Shreya presented the new budget submitted by Akshardeep. There were reasonable increases mostly in the salary of teachers, so the new budget was approved by consensus of everyone present.

Gala Event: As everyone is aware that Asha has been planning a classical Gala evening with Sanjay Abyankar and some other local artists. There were several discussions in this regard and there was a voting in this regard. Majority of the members voted to conduct this event. So in the meeting after some more discussions it was decided that Asha would conduct this event. Kirti is taking charge of the organizing and will have full support of Asha volunteers and we would like to ask all members to help us with the publicity of this event. Please spread the word. The flyers and more detailed information will follow soon.
