

Asha for Education
Bringing hope through education

SACSAS (Save Children Save Society) Academy - New Dampi Branch, Manipur

In 2009, SACAS Academy started its operations in New Dampi, Manipur with a sole aim to educate kids in this far flung village in North-East India. The type of education imparted is primarily basic. The books followed and the teaching techniques used are the same as the ones used in Government/Private schools of Manipur Board.

The number of students benefitted is 163 and is highest among all the schools operated by SACAS with a recurring cost of 8550 CHF per year. Asha Zurich funds teachers salary, school uniform, books and library materials

Project Status: Running since 2010

Children Benefited: 163; **Budget:** 8550 CHF per year

Amount Transferred To Date: 4275 CHF

SACSAS Academy has really put an effort to address the issue of Self sustainability. The functioning of the schools and salary of the teachers in case of lack of funds is addressed by ruanning a charitable hospital named “National Charitable Hospital” over the last five years by the on ground project coordinator of SACSAS academy –Mr. Surjitkumar Yumkhaibam, who tries to fund the salaries of the teachers in difficult times.
